

If you meet the authenticity standards, and will raise the minimum preservation monies asked for, please print this PRE-REGISTRATION form, complete it, and return it to the address below with your pre-registration fee of \$20.00.

Name _____ Describe any medical conditions we may need to know about:
Address _____
City _____ State ____ Zip _____
Phone # _____
e-mail _____
Unit _____

This information below is generally understood, and common knowledge. However, in order to not confuse anyone, especially someone new to this hobby, we felt it was best to be clear as to what is expected.

I (print name) _____ understand and agree to the authenticity guidelines and to the mandatory inspection at the registration tent which will include a weapons inspection. I will maintain a military bearing. When I arrive at the event site I will stay until noon Sunday, unless prior arrangements with the event organizer have been made. I agree to camp campaign style, not smoke cigarettes, and to bring 60 correctly bundled rounds with caps. I will not bring alcohol unless prior arrangements have been worked out with the event organizer.

Most importantly, I also understand that it is my responsibility to raise the minimum asked for of \$100.00 (not including the \$20.00 registration fee) to help acquire endangered battlefield lands at Fredericksburg, Franklin, AND Wilson’s Creek. I will mail funds raised for the event (or brought to the event) in the form of checks or money orders.

Signature: _____ Date: _____

The registration fee will go for a few basic expenses like insurance, firewood, a few porta-johns, and water. All expenditures will be recorded/archived and available for review. If any funds from the registration fees are left over from the costs they will be immediately donated, at the end of the event, to the preservation purchases at Fredericksburg, Franklin, and Wilson’s Creek.

Enclose a \$20.00 check or money order made out to “*Preservation March 2008*” and on the "memo" line in the lower left hand corner of the check write in "pre reg." and send to:
